**On Giving Tuesday,  
ensuring equal access to legal aid**

Giving Tuesday is today At its core, [#GivingTuesday](#) is about giving back to what you care most deeply about, and we know that **ensuring equal access to legal aid** is of deep importance to you.

When you [renew your support](#), you will make it possible for our attorneys and volunteers to assist low-income residents in tackling legal issues that threaten their health, safety, and economic well-being, in Bucks, Chester, Delaware & Montgomery counties.

### Let's look at what your support helped us accomplish this past year:

- Through your support during the 2022-23 fiscal year, LASP was able to handle **10,925 cases that benefited 20,313 adults and children!**
- LASP obtained **689 protection orders** that **increased the safety for more than 1,600 adults and children** who experienced violence at home.
- We preserved **housing for 1,047 adults and children.**
- Our Veterans Advocacy Project obtained benefits for homeless Veterans that **increased their estimated lifetime income by more than \$7 million.**
- We cleared 187 records through expungement, sealing, or pardons, **removing a very significant barrier to a good job, education, and housing.**
- We obtained benefits for adult clients with disabilities and **increased their estimated lifetime income by \$6.1 million.**

As a donor to LASP, you're an integral part of these successes. **With your continued support for LASP, you'll be a part of many more success stories in the coming year.**

Let's make this [#GivingTuesday](#) one for the books by coming together and making a lasting impact on our communities and court rooms.

Your gift matters, and **we can't do it without you.** Thank you!

Sincerely,
